Automobilwoche Website

Homepage

The automobilwoche.de homepage is the daily must-visit for automotive professionals who need to stay up-to-the-minute on what is happening in the German auto industry. It is where readers find an overview of the key news items for their business and fast and reliable coverage of exclusive stories. Moreover, the homepage guides users to all the comprehensive information that automobilwoche.de offers.

Run of Site

With run of site placements, your advertisement is displayed on almost every interior page of automobilwoche.de. It appears where readers spend most of their time online: on pages with articles, and in all the extensively researched features.

Article Page (within run of site)

The article pages offer the opportunity to place your advertising next to the editorial content. This is where our users read the stories of their choice and where your message gets maximum attention.
